PRESIDENT'S OPENING REMARKS:

In his opening remarks, Mr. President thanked everyone for their commitment to the association and the support of the present excos.

READING OF MINUTES: Minutes of the last monthly general meeting held in July, 2025 was read by the House.

In the absence of observations or corrections, Tony Anyadike moved to adopt the Minutes read as a working document of the Association Supported by Barr. Emeka Iwuamadi

MATTERS ARISING/AGENDA:

1. EQUIPPING OF THE SECRETARIAT

The president solicited for support from members. The idea of a shared office for a fee or lease of space for meeting was suggested so that the office can finance itself.

2. CYBER CRIME ACT

Need to scrutinize contents of WhatsApp group so we do not fall prey of this act. Barr. Kelechi to champion a draft of the summary of the act. To sensitize the admins who would be responsible for every content on the WhatsApp group. A guideline for the group should be drafted and presented to the group.

3. BUDGET AND PROJECT MODALITIES DISCUSSION

The reduction in the project budget from 373,600 to 302,100, highlighting changes in expenses such as using canopies instead of tents and reducing the number of chairs, the use of local government spaces instead of local government-wide spaces to save costs was brought up. The specific expenses: 10,000 for security, 40,000 for backdrops, 60,000 for radio jingles, and 10,000 for letters and dispatch was listed. Using donations and local funds to source the remaining budget for the project was suggested.

4. WAREHOUSE AND CONSIGNMENT ISSUES

The difficulty in providing a warehouse for consignments, leading to the consignment being moved to another place was brought up. There was a

negotiation with the consignment provider to give a 24-hour notice instead of the initial 8-hour notice. The association was updated on the progress, mentioning that the general manager in charge of the project will return to Lagos to resolve the issue, with an indication that if the issue is not resolved, the project will start in the next month.

5. PROJECT VISIBILITY AND COMMUNICATION

The creation of a jingle to increase project visibility was suggested and the positive feedback received from the President and member. The need to wait until the 30th to finalize the project date if the budget is not realized was stated. The importance of having a place to warehouse materials, regardless of the quantity was emphasized as well as the criteria for selecting the 10 communities to be involved in the project.

6. COMMITTEE FORMATION AND RESPONSIBILITIES

Forming committees based on specific areas of expertise, such as education, social welfare, and projects. Creating a new concept for granting scholarships and mobilizing youth coppers for secondary schools. The need for a centralized system to manage projects and programs effectively and the importance of having a clear understanding of the needs of people who require philanthropic support was emphasized.

7. SOCIAL MEDIA AND COMMUNICATION GUIDELINES

The importance of respect and private communication when addressing issues on social media as well as verifying information before posting to avoid causing offense or confusion. The need for careful handling of social media to avoid legal issues and maintain the association's reputation and focusing on positive content, such as prayers and information, to maintain a positive online presence.

8. RESTRUCTURING AND HARMONIZATION OF ASSOCIATIONS

The need to restructure Dozie Owerri to create a more effective and unified association. There was a proposal in having one national ESCO with branches and a centralized constitution. The upcoming council meeting on September 27th to discuss and vote on the restructuring proposal was mentioned. Emphasis on the importance of having a clear and unified structure to better serve the association's members and goals.

9. WEBSITE DEVELOPMENT AND CONTENT MANAGEMENT

A discussion on the development of the association's website and the need for content from members. There was a suggestion on pushing the website development as a priority and having it ready by the September meeting. The financial implications of managing the website and the need for a sustainable plan was highlighted. Emphasis on the importance of having current and up-to-date information on the website to keep members informed.

10. CONDOLENCE AND REPRESENTATION ISSUES

A report was given on the condolence visit held last Friday and the positive representation from Abuja. The disappointment and anger expressed by members regarding the delayed response from the council, the need for better coordination and representation in future condolence visits and the importance of maintaining the association's reputation and responding promptly to members' needs was discussed.

FUTURE PLANS AND MEETINGS

The upcoming council meeting on September 27th to discuss and vote on the restructuring proposal. The importance of having a clear and unified structure to

better serve the association's members and goals, the need for a centralized system to manage projects and programs effectively and the importance of having current and up-to-date information on the website to keep members informed was discussed.
